REFLECTIONS

"And God shall wipe away all tears
from their eyes; and there shall be no
more death, neither sorrow, nor crying,
neither shall there be any more pain:
for the former things are passed away."
Revelation 21:4

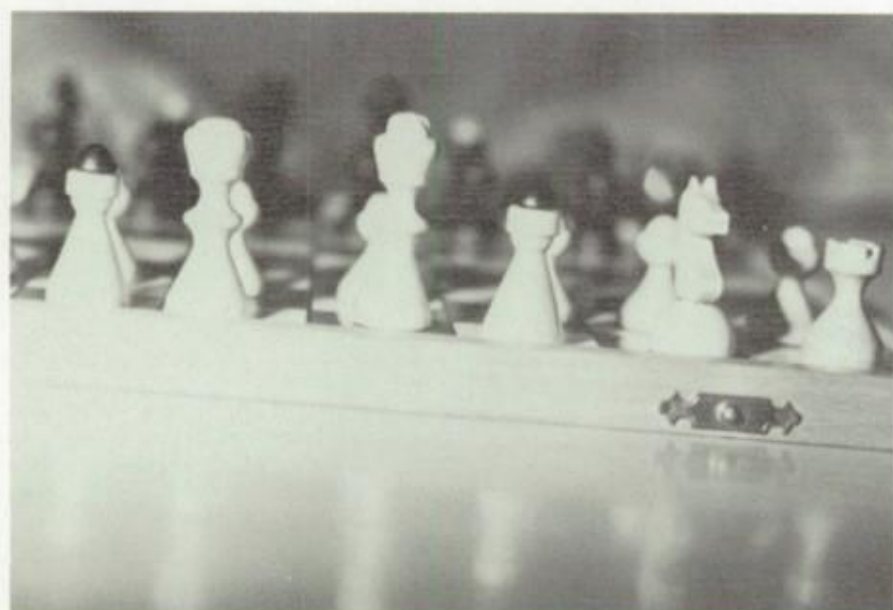

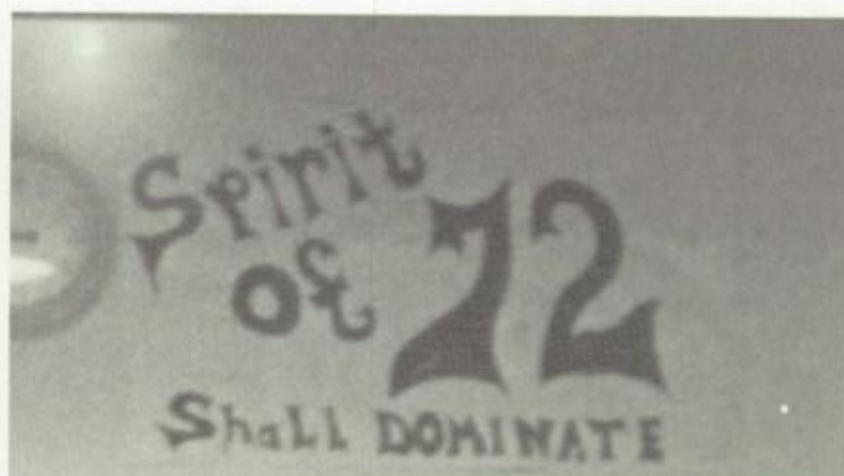

On March 25, at 4:30 p.m., Mrs. Kathryn Conrad passed away in her home following an extended illness. She was a member of the New Hampshire Church of the Nazarene where she was a Sunday School teacher and junior director of the church. She had been a school teacher for 48 years, 46 of which had been in the New Hampshire and Waynesfield schools. Services were held March 28 at 2 p.m. in the church with Rev. Ersel Potts officiating. Burial was in Walnut Hill Cemetery.

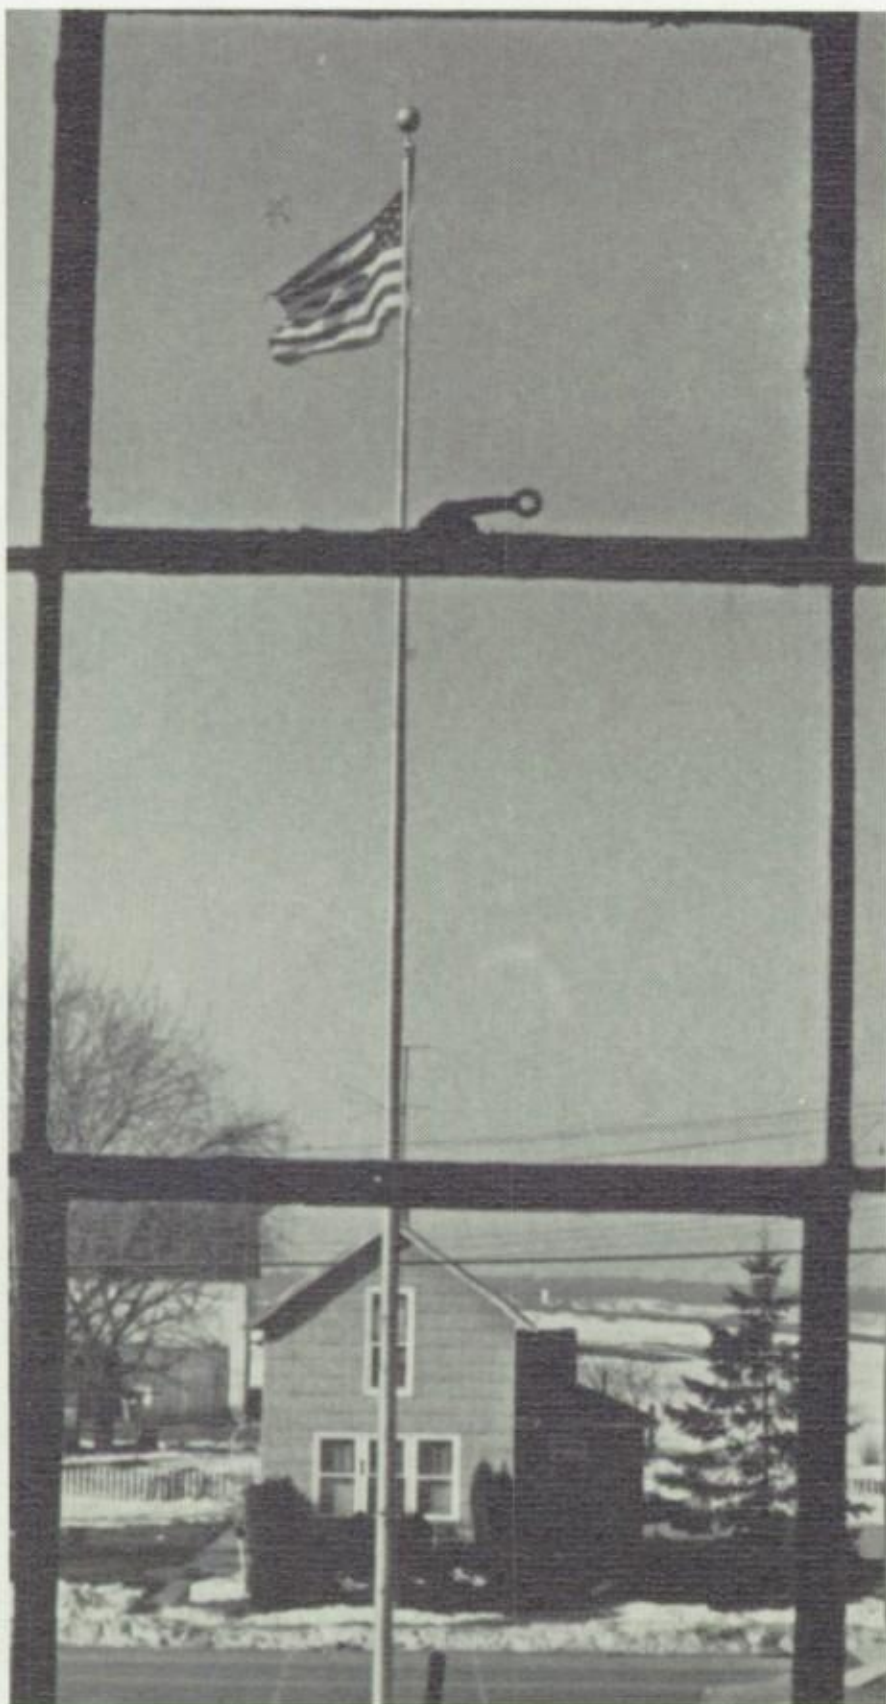

Mrs. Conrad has left an example of dedication and faith for all W-G's students and faculty to follow. She is gone but certainly not forgotten.

SCHOOL

LIFE

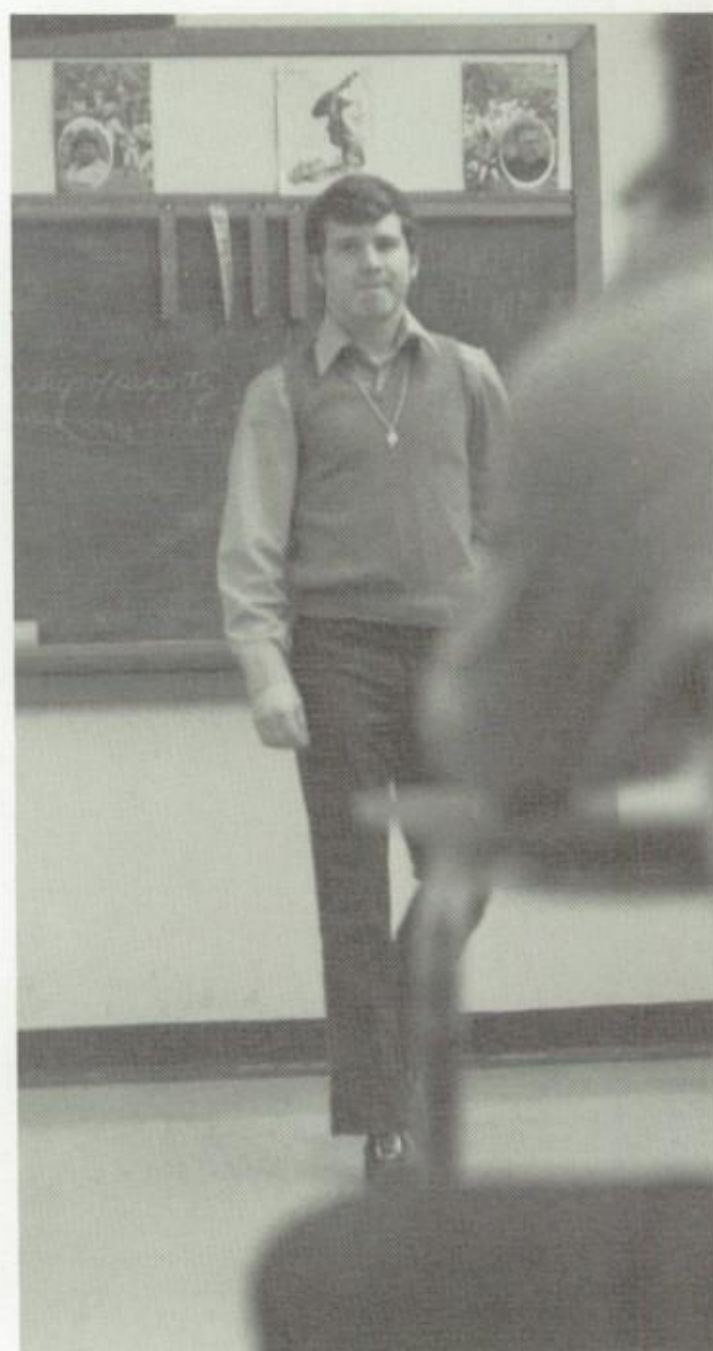

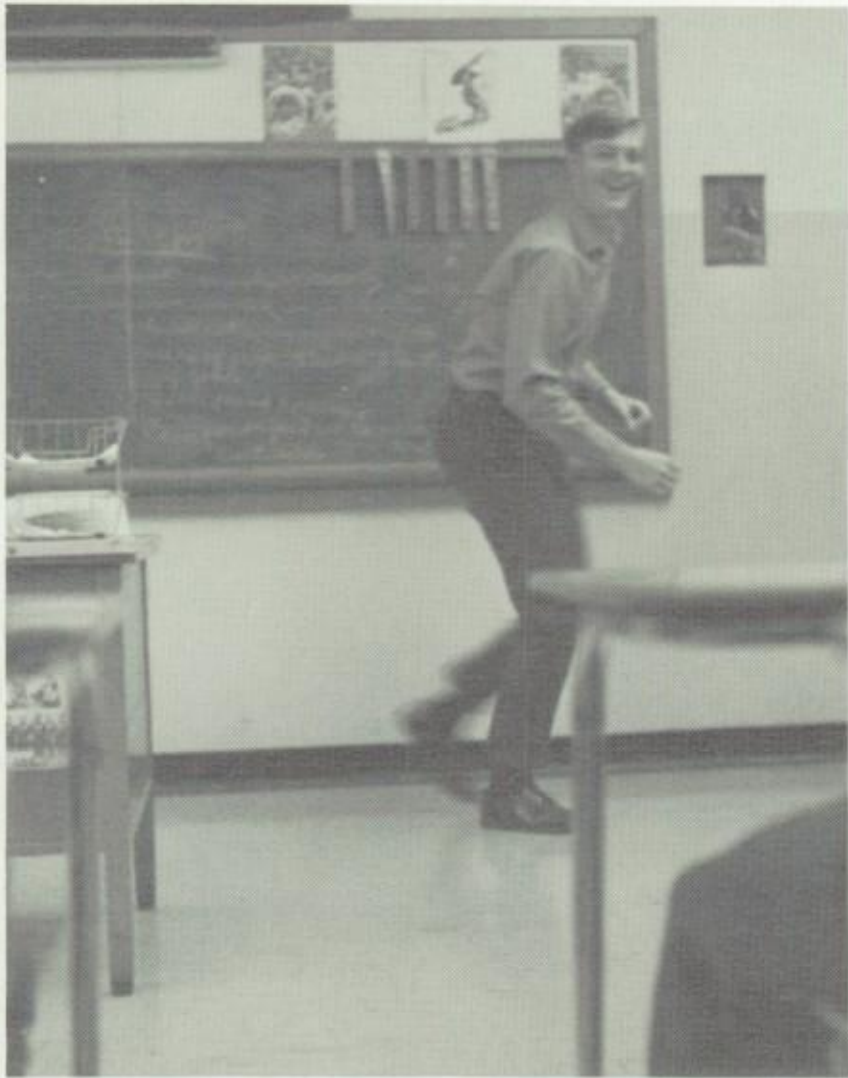

The 1971-1972 school year at Waynesfield-Goshen School has come to an end. To preserve the memories of the various occurrences, this book has been compiled.

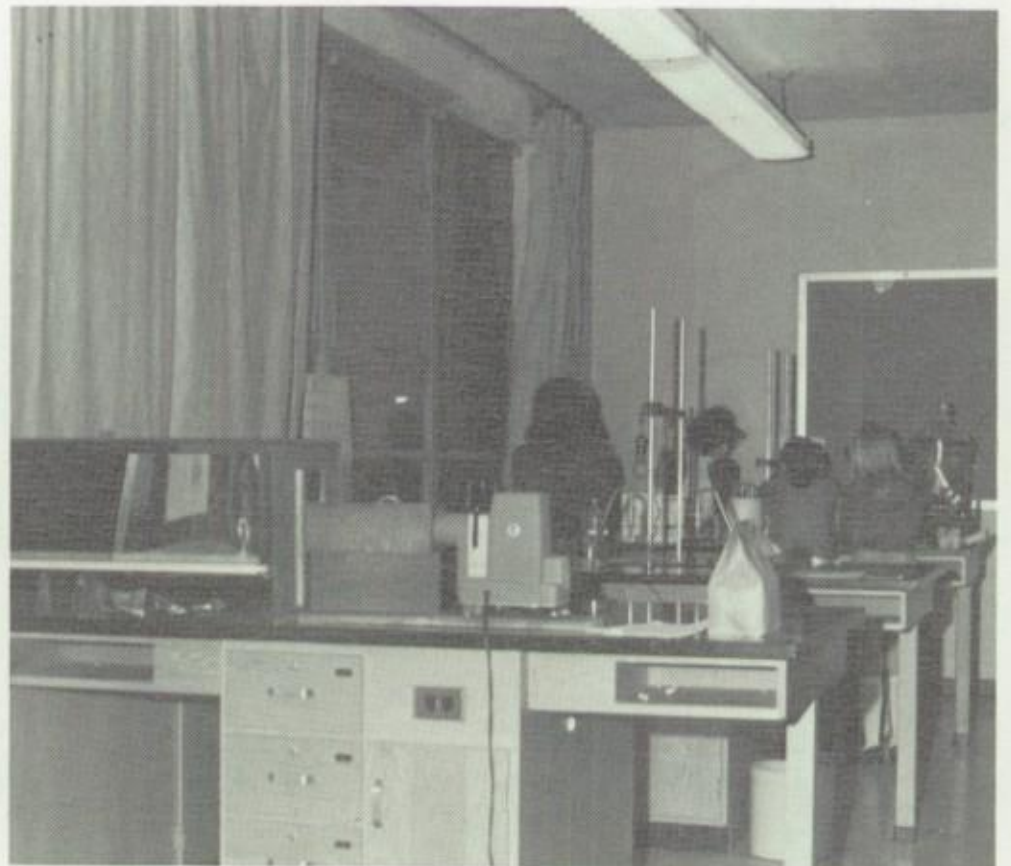

The two buildings which comprise the W-G School District are not overly impressive, but to all they represent a challenge. To the students who go there daily, there is the challenge to make the most of what is offered them. To the community, there is the challenge to keep the school operating and well staffed

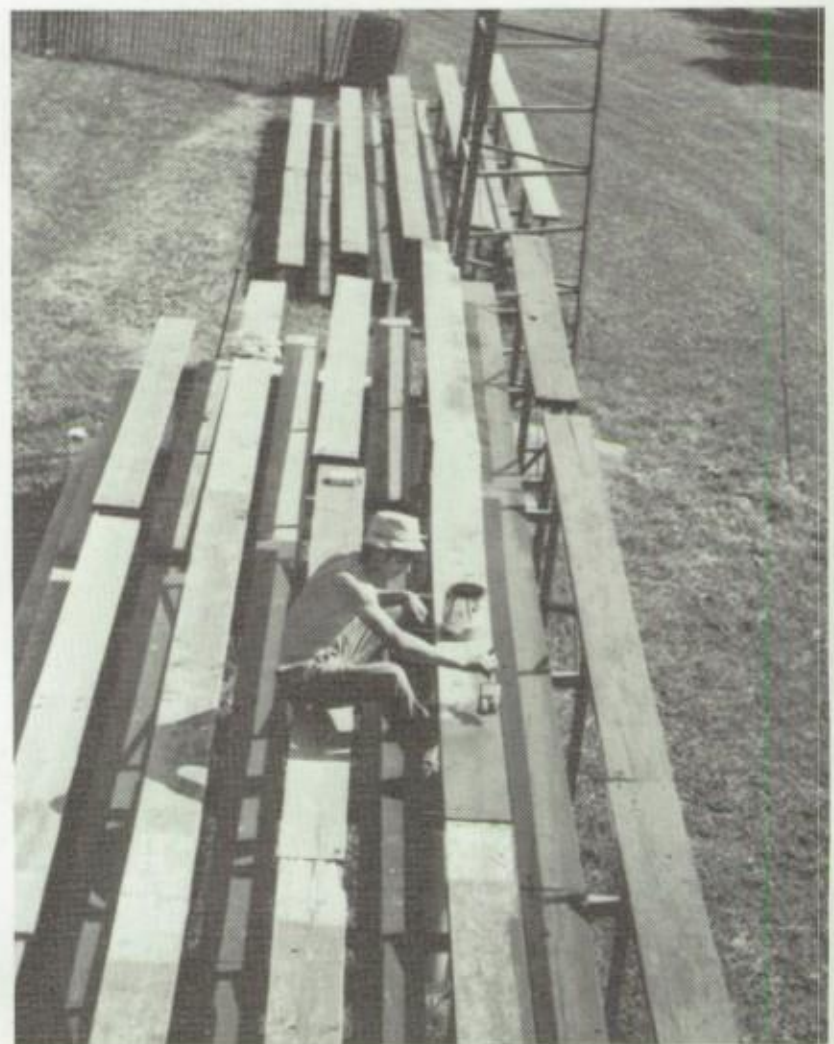

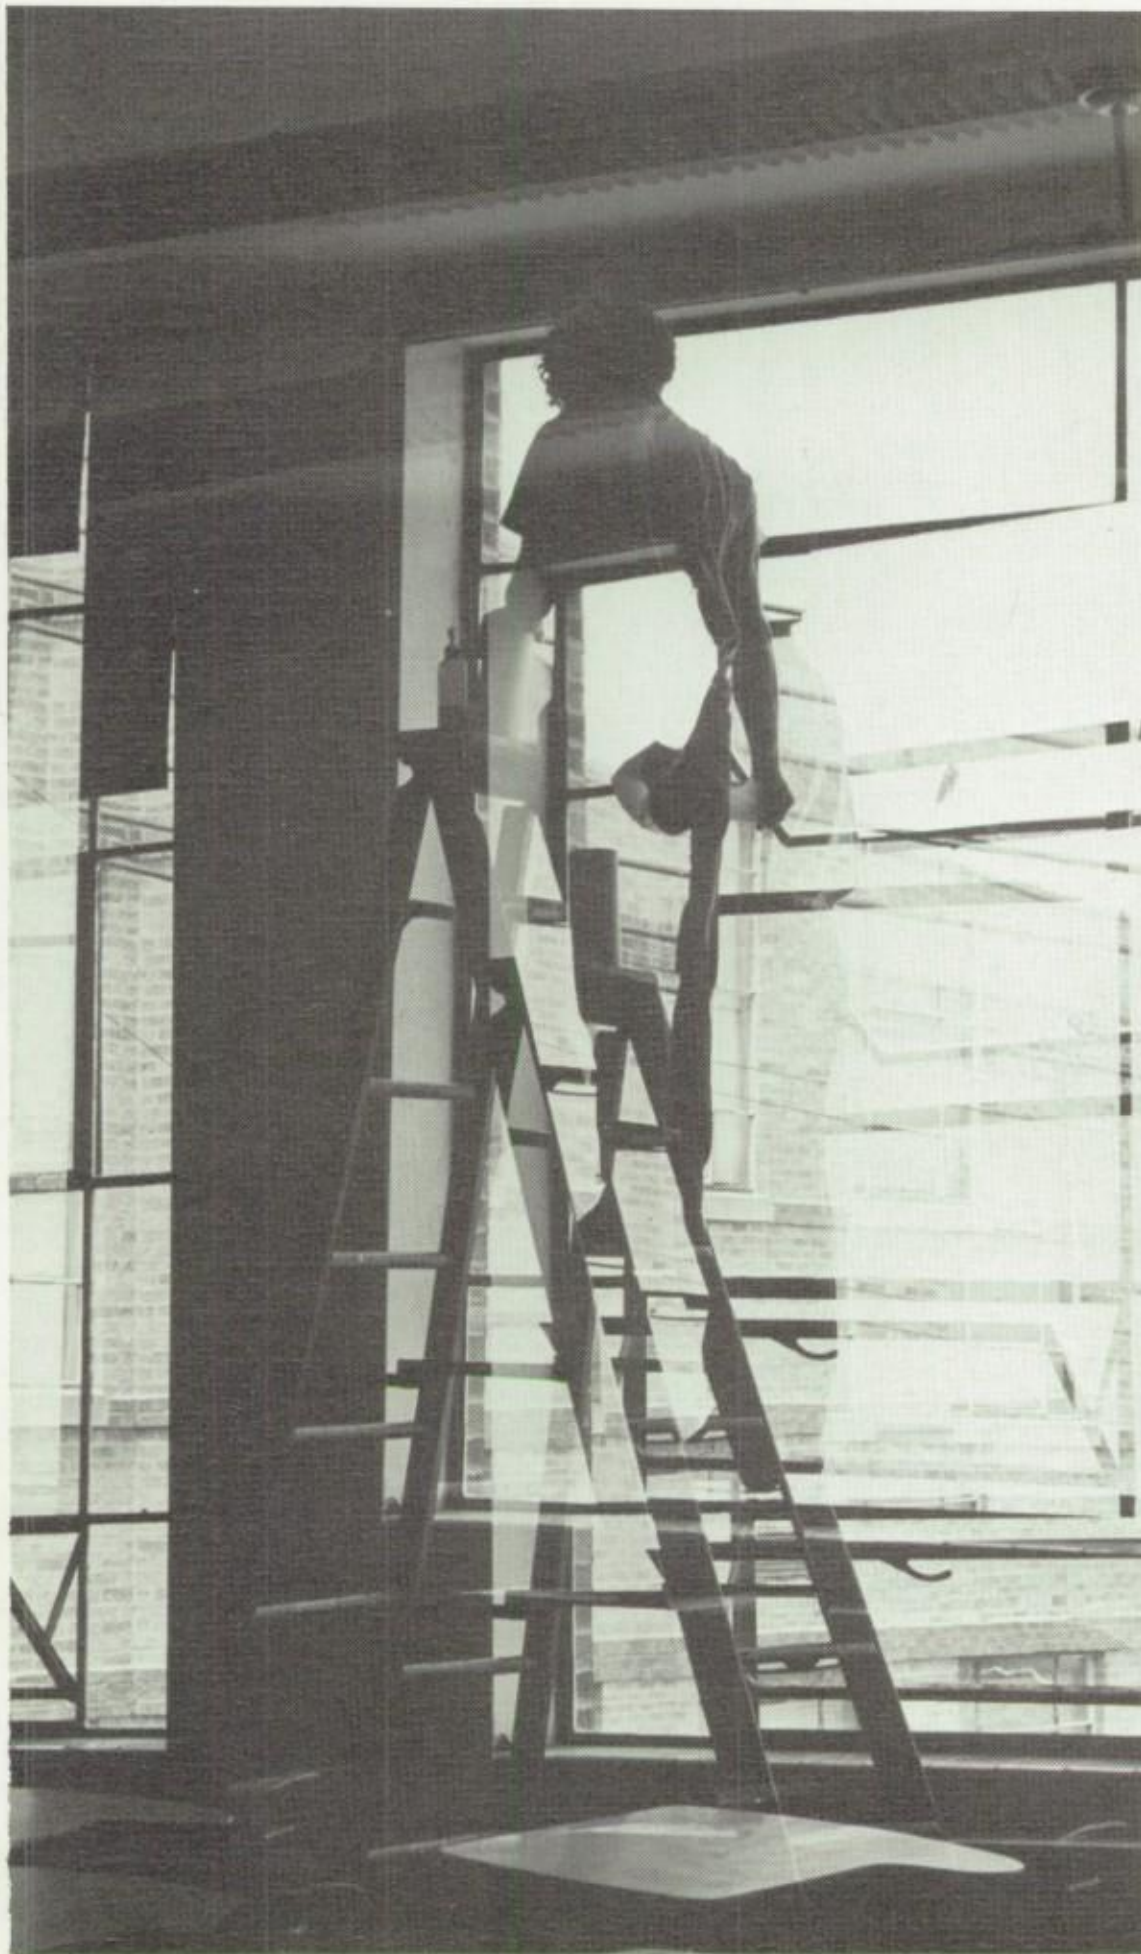

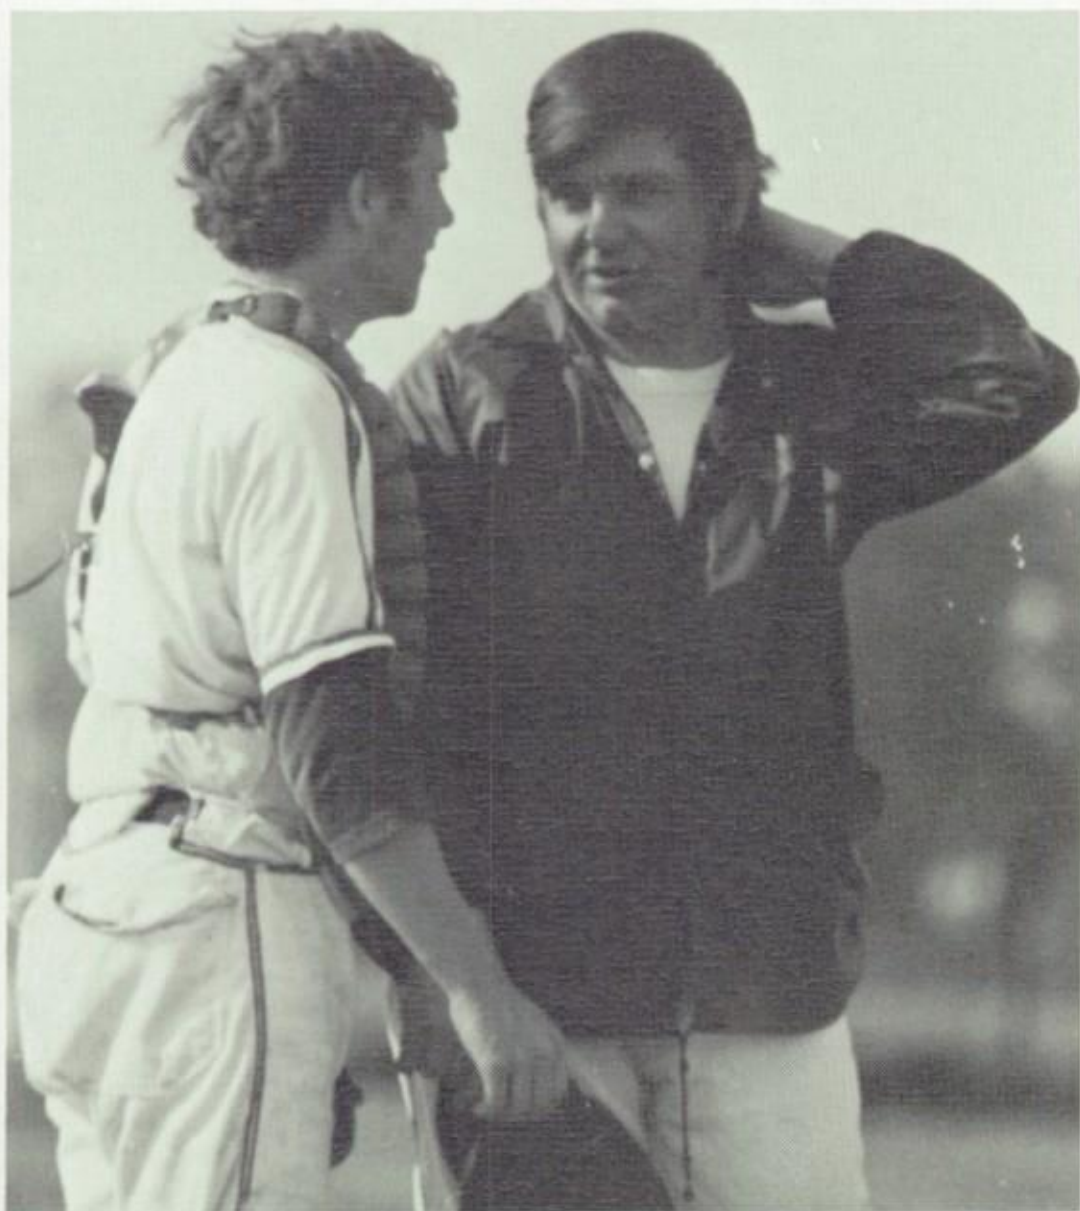

Each day of the school year the two buildings were overtaken by a multitude of students. In the classrooms eager minds strove for greater knowledge and understanding. The desks, textbooks, and blackboards well show their use. No mind was completely idle during this year and no student can say these nine months were completely wasted.

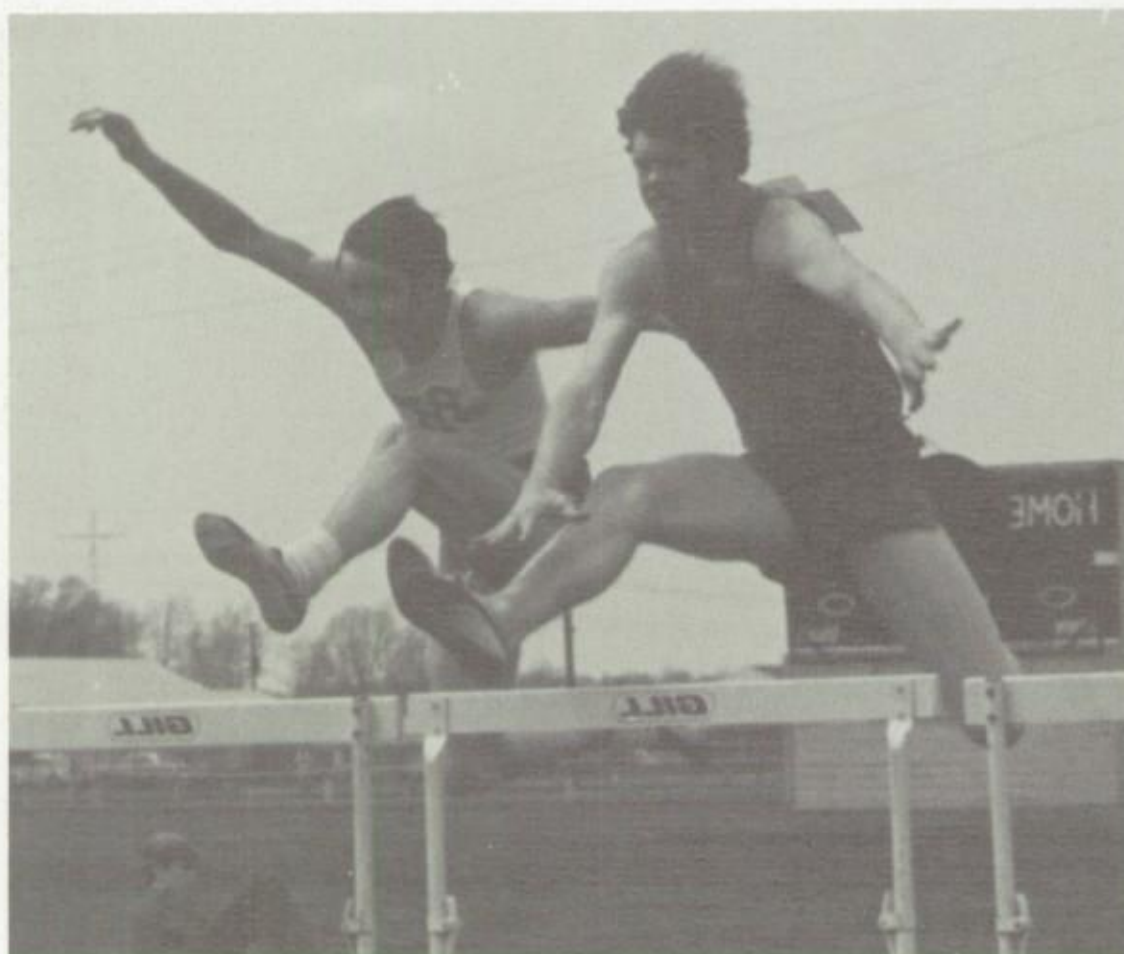

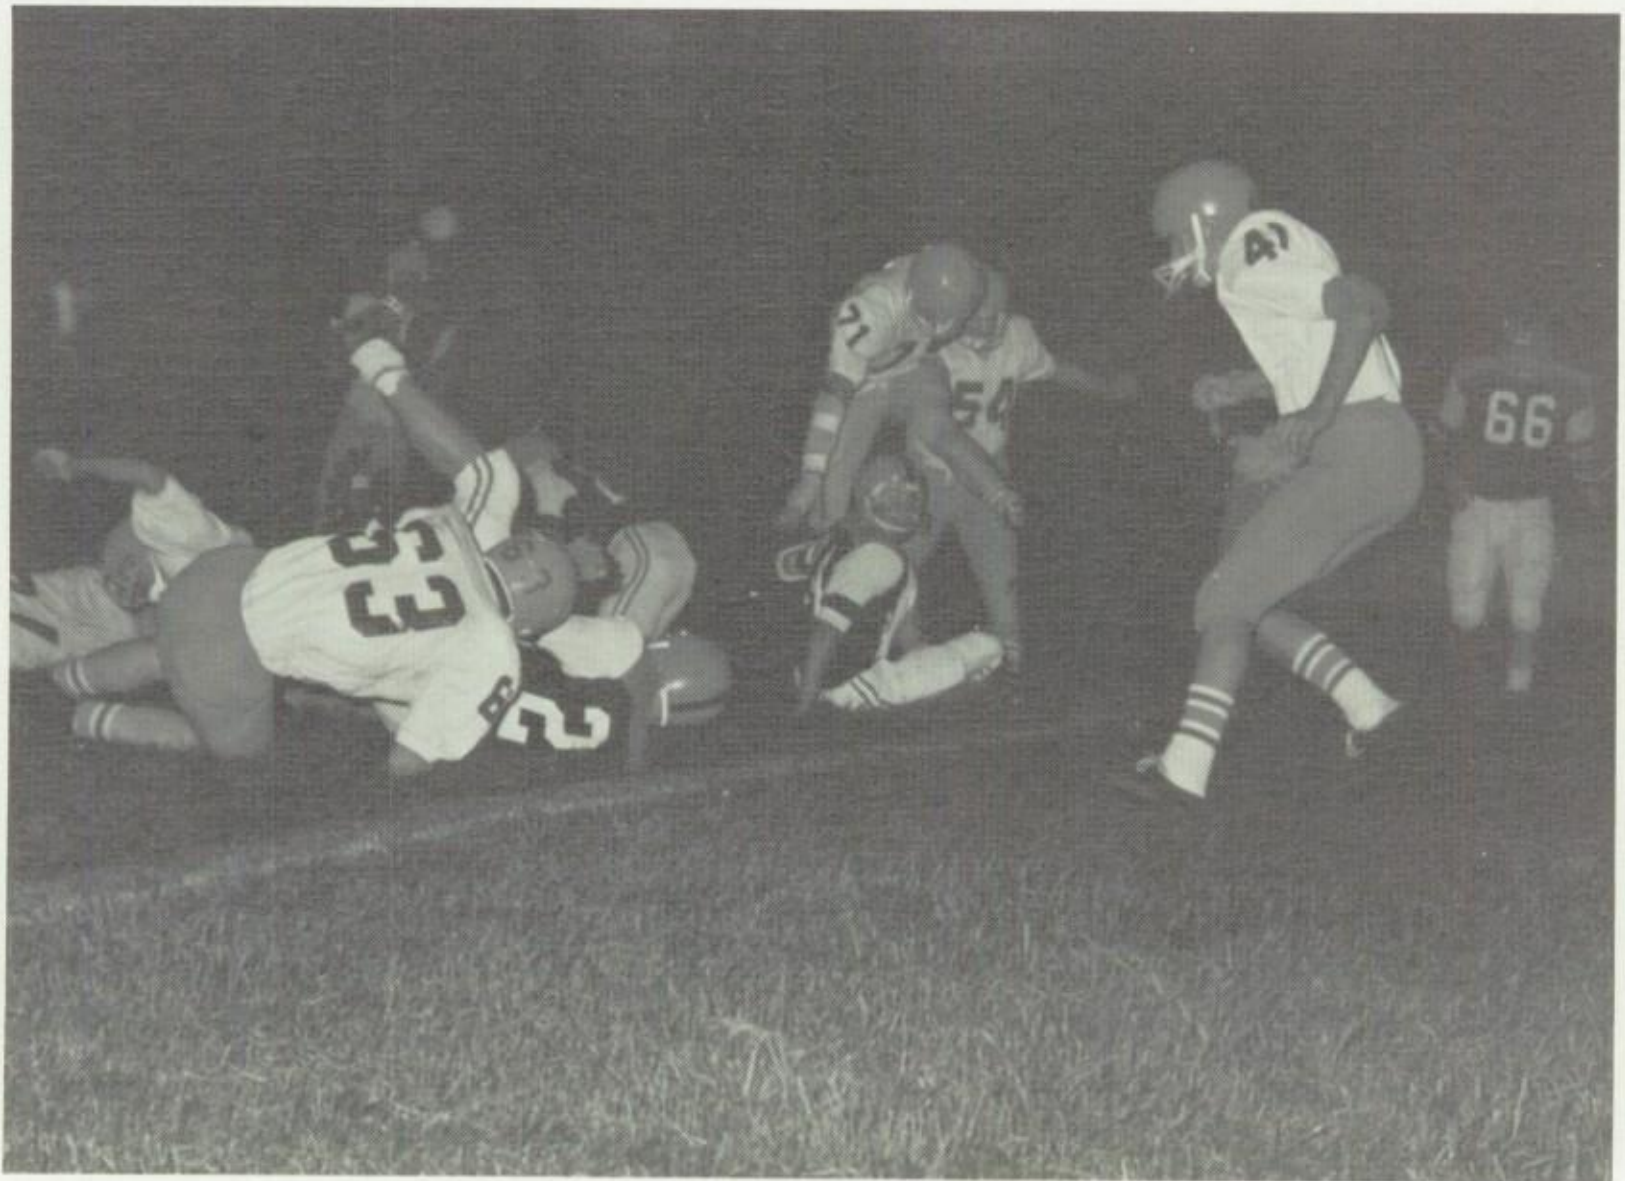

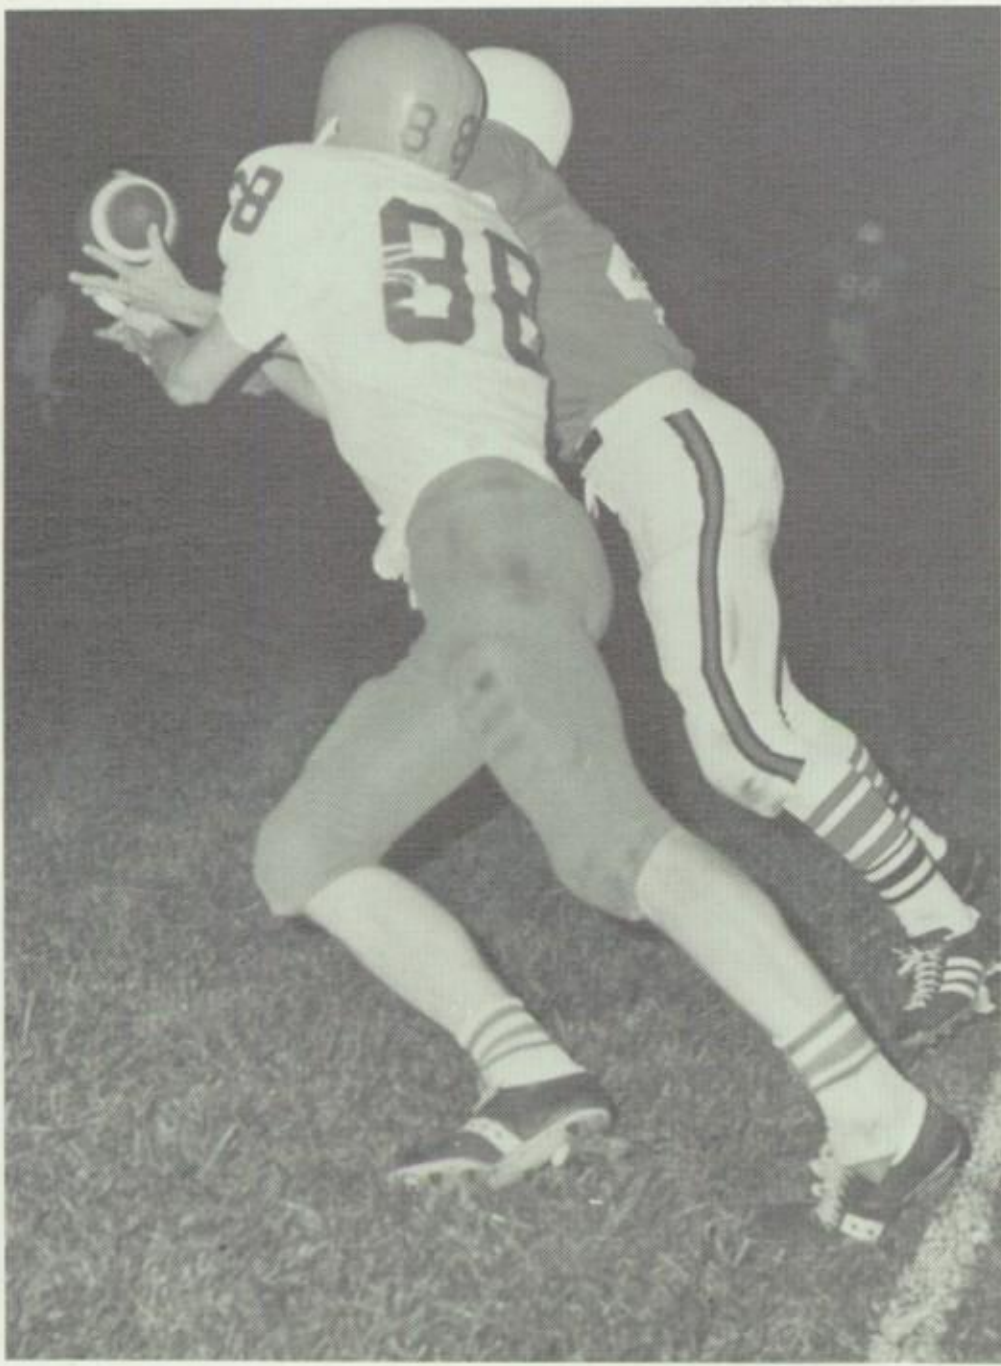

On the sports field W-G students learned the agony and frustration of defeat as well as the joy and exultation of victory. After school hours, rarely a day passed that one would not see someone attacking the "iron monster," practicing layups, or the like.

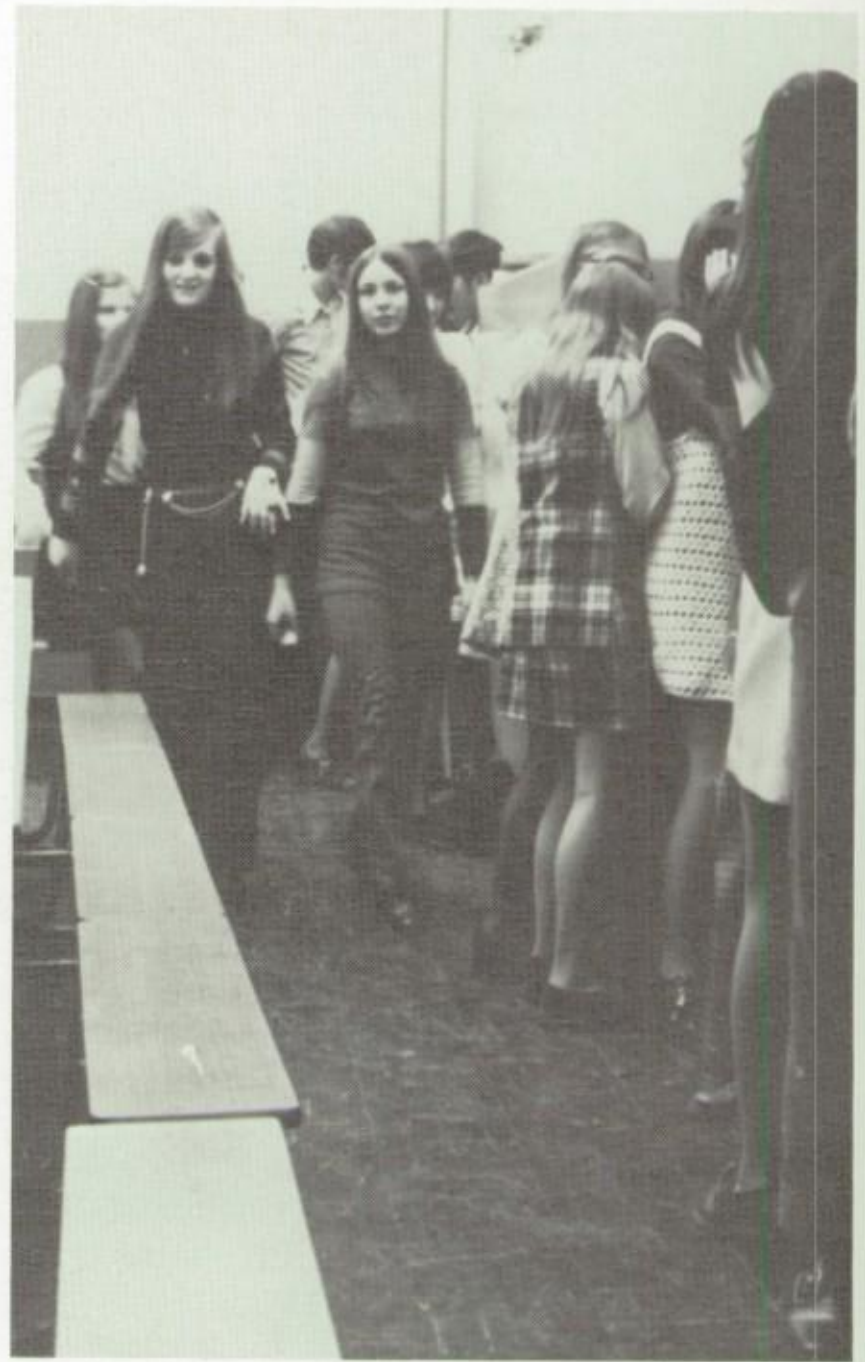

In its organizations each individual experienced the satisfaction of succeeding as a group. In the band and chorus, each member strove to unite producing beautiful sounds. Participants in W-G's numerous clubs learned to work together to achieve their various goals.

Waynesfield-Goshen is hardly a great school, especially when compared in size to others, but no one can say that he is deprived of his equal share. The opportunity is there for anyone with enough spirit, maturity, and dedication to meet the challenge.

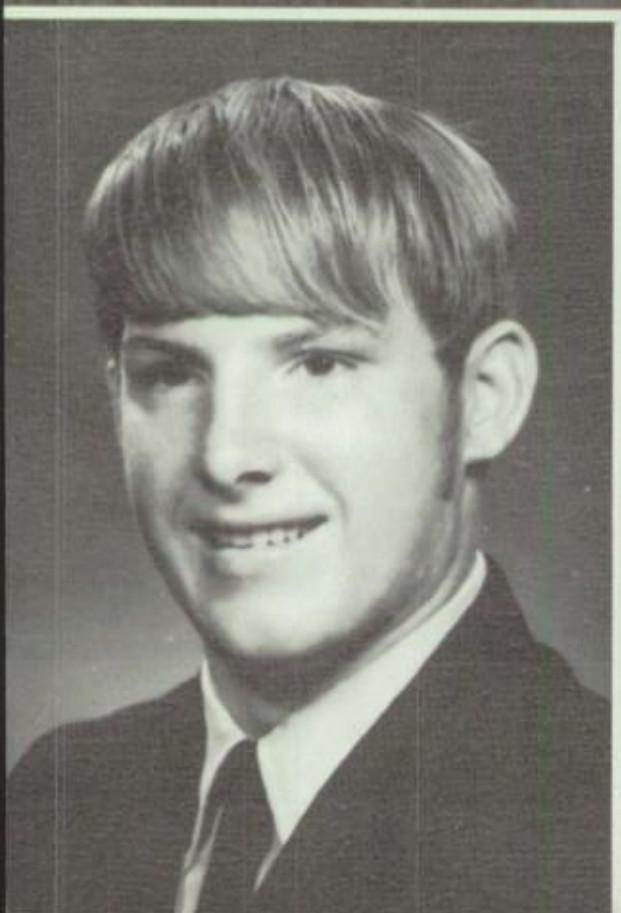

We dedicate this page to the memory of Michael Taylor who died August 10, 1972. Mike was a former student at W-G and has many friends and loved ones who still reside here. Mike met with a fatal accident while working with his father in Wauseon, Michigan. He was only twenty years old at the time of his death.

The students, faculty, and administration offer their condolences to his loved ones.

"Death, be not proud...for thou art not so;...
One short sleep past, we wake eternally,
And death shall be no more."

NEW WAYNESFIELD-GOSHEN SUPERINTENDENT

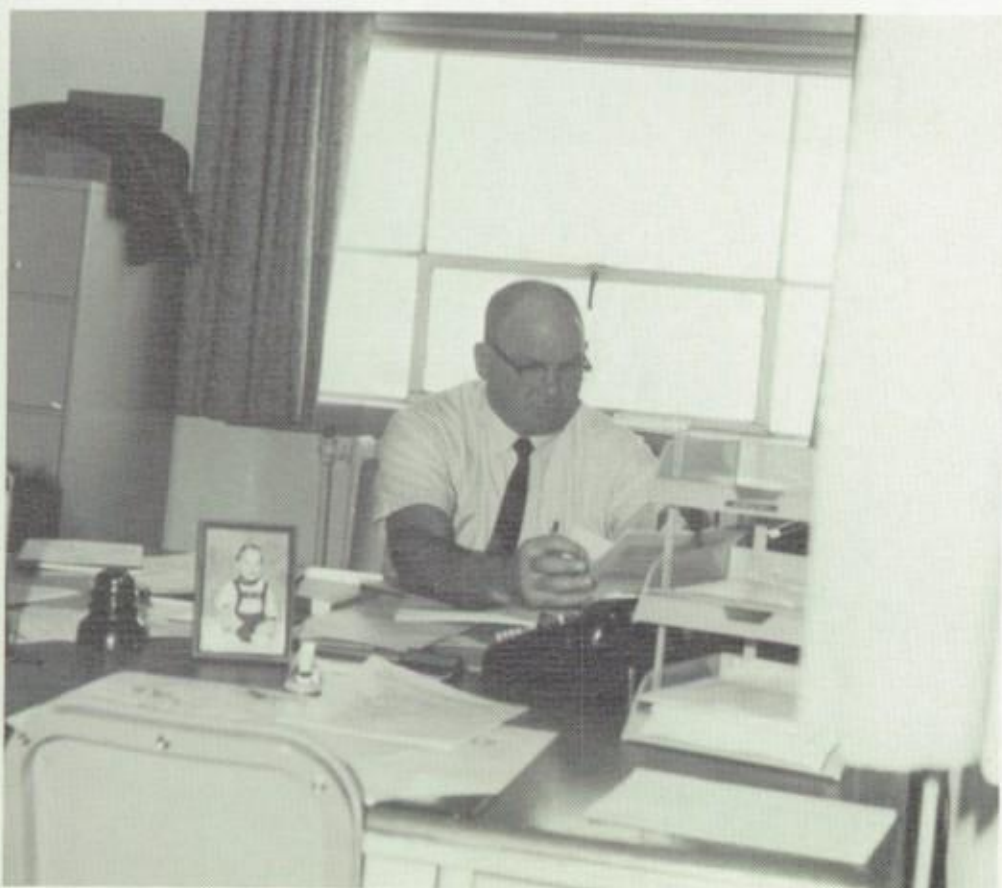

New to our staff this year is Superintendent Joe Stokes. Mr. Stokes graduated from Belle Center High School. After graduating, he attended Ohio Northern University, Miami University of Ohio, and Wittenburg. He majored in Health and Physical Education and studied Biology and Industrial Arts as minors.

After his years of college, he was Superintendent at Roundhead. He served as coach at Belle Center and the old Lakeview School.

When asked his views of our school, he said that even though we are small, we have not been forced to consolidate. In this, we should consider ourselves lucky. He also said he would like to see some changes, but it takes time and much cooperation. One interesting comment was that he finds our school more active than others he has known as far as athletics and clubs are concerned.

Mr. Stokes does not teach any classes, but occasionally he likes to visit with students. He says students are fairly honest and will tell him things no one else will.

We feel quite fortunate to have had Mr. Stokes join the Waynesfield Administration.

CAMELOT

King Arthur and Guenevere

The Waynesfield-Goshen Music Department highlighted the 1971-1972 school year with the presentation of the musical CAMELOT. The musical was presented at a matinee on Thursday May 11 for the student body and evening presentations were given on May 12 and 13 from 8:00-11:00 p. m.

The main cast consisted of Michele Schnelle as Guenevere, Mark Bayliff as King Arthur, Al Walton as Lancelot, and Fred Pepple as King Pellinore. Other cast members were Renay Carter as Morgan LeFey and Jeff Bayliff as Mordred.

CAMELOT is the musical presentation of Tennyson's IDYLL'S OF THE KING. It tells the story of King Arthur's attempt to establish a new order of chivalry based on justice instead of battle. He is torn between this and the love for his wife, Guenevere, who is drawn to Sir Lancelot.

The cast, chorus, stage crew, pit band, and directors all worked hard to make CAMELOT a successful production.

SCIENCE FAIR

One-hundred and eighty elementary and senior high students participated in a Science Fair sponsored by the Senior Honor Society in April. Ribbons for first, second and third places were given along with ribbons for honorable mention. The judges were Mrs. Lynda Waitman, Mrs. Grace Marshall, Mr. Ed Teubner, Mr. James Schrawbero and Mr. Eric Jensen. Projects ranged from reports to the building of complicated apparatus.

ALICE TURNER PRESIDES OVER FFA BANQUET

The FFA Parent-Son Banquet was held this year February 24, 1972 in our High School gymnasium. The evenings festivities started with a tasty meal in the cafeteria, which was followed by a message from the guest speaker. Our speaker this year was Lenny Kirian who is the State FFA Vice-President.

The FFA Queen chosen this year was Alice Turner. Her court was first alternate Carol Bowsher, and second alternate Diane Riff. After the Queen and her Court were recognized and presented their awards, the new FFA officers for 1972-73 were sworn in. The Banquet proved to be a great success.

Mr. Stokes, coach of the Freshman team, strived to build the freshman into an outstanding reserve unit.

Even though they did not win any games this year, they obtained a lot of experience.

The varsity girl's volleyball team had a very good season, ending with a record of 5-1. Their only defeat came in the last league game with Fairbanks. The girls then traveled to the Bellefontaine Invitational where they placed third. From this they continued on to the WCOC Tournament where they were defeated by Benjamin Logan in the championship game.

ANNUAL STAFF WORKS HARD

The yearbooks staff has spent a busy year striving to make the 1971-72 edition of "Reflections" one of the best ever. The staff was headed by editor, Randy Carter, and assistant editor, Jackie Foor. Under the supervision of Mrs. Konst, the staff advisor, they worked hard to meet their deadlines, despite numerous other activities. They and other dedicated staff members came up with plans and ideas for an even more creative yearbook.

We raised the price of our paper this year in order to afford having it professionally printed by Republican Printing Company.

The staff has devoted a lot of long hours and hard work in trying to make this year's newspaper a classic.

BAND RECEIVES RATING "SUPERIOR"

The band played four concerts, played at Contest, and participated in the musical. The concerts were held in the autumn for the Band Boosters meeting, at Christmas for P. T. O., after Christmas vacation in preparation for contest, and in May for the Spring Concert.

At contest the band received a rating of "1" or "superior" from all judges.

2ND GRADE BEING CREATIVE

The goal for this year's second graders was to use their imaginations and be creative. They have worked in a variety of different areas including making Christmas decorations for their room.

As with the other grades, they enjoyed the privilege of having special library periods reserved for story hours. They also were permitted to check out books.

They were introduced to science this year and performed experiments which dealt with darkness, heat, magnets, and light. They also learned new reading and math skills.

Most of the children found out that school can be fun when one applies oneself to the work and learns the satisfaction of defeating a challenge.

5TH GRADE — BECOMING GOOD CITIZENS

In both fifth grade classes, students have strived to obtain independent work habits in all subject areas. Efforts aimed towards the insight of satisfaction in personal achievement have been successful. Also, they have learned what it is to be responsible toward others.

A major area of study touched on American history and our nation's geography. These studies have been aimed at helping the students acquire a healthy community spirit and become worthy citizens.

JUNIORS ACHIEVE PROM GOAL

Under the leadership of their president, Cathy Chiles, and class advisors, Mrs. Powers and Mr. Jensen, the Junior Class held concession stands at football and basketball games, sold candy and cushions, and sponsored the Christmas Dance and 4 other Record Hops during the year. Another of their many projects was selling school T-shirts.

Sandy Horn served as Vice-President, LeMarill Rehn as Secretary, Vicki Patton as Treasurer, and Terry Pence as Reporter.

The Junior Class reached its goal of having the prom at McIntosh Center at Ohio Northern University. In the early spring the theme and decorations were chosen for the annual gala event which was held May 18.

The final event for the Juniors was the purchase of flowers for the graduating Seniors.

THE END

A black and white photograph of a brick building. The upper portion of the image shows a large, arched window set into a brick wall. Below this, centered, is a double door with multiple glass panes in each leaf. The door is framed by a simple stone or concrete surround. The lower portion of the image shows the base of the door and some landscaping, including what appears to be a small bush or flower bed to the right. The overall tone is nostalgic and reflective.

Another year at W-G has passed and become only a memory. But no matter how far away those who once occupied these halls may venture, this memory will always be with them. The memory of a place that helped to shape their lives and mold them into men and women. A place of encouragement, a place of knowledge, and, most of all, a place of love.
